**Managerial competences**

The organisational competences represent a necessity in the management positions held so far. For 16 years in leading positions, I have accumulated managerial experience in complex domains, which helped me perceive easily the level of complexity of problems and, at the same time, to propose optimal solutions for the solving of the problems.

The capacity to make a firm and opportune decision the shortest possible.

Stress resistance, adaptability and vision.

Leadership: I managed and coordinated 150 persons.
