Press release

Kings' Tournament – Romgaz, the First Edition Included in the Grand Slam Circuit

The Information Research Centre for Natural Gas from Medias hosts between 11 and 22 June, 2011 the international chess competition Kings' Tournament.

„Elisabeta Polihroniade” Chess Club Association organizes the fifth edition of this event, which came into public eye starting with 2007 as a competition standard for the chess world, and turned out to be a great success for the world chess movement. This year is the first edition when this tournament is included in the Grand Slam Circuit.

Under the auspices of the Kings Tournament performance, Romgaz has become one of the main supporters of chess in Romania. The 2011 Edition is the main chess event of the year in Romania and its guests are: Magnus Carlsen (Norway), Vassily Ivanchuk (Ukraine), Sergey Karjakin (Russia), Hikaru Nakamura (USA), Teimour Radjabov (Azerbaijan) and Liviu-Dieter Nisipeanu (Romania).

The opening ceremony of the chess tournament will take place on June 10, 2011, hours 16:00.
